

ASTA eLearning evening Feb 18, 2018

- ASTA dinner, Ponsonby Cruising Club, 24 May, 6:45 pm
- 4 grants for \$250.00 to attend SciCon won by different folk around Auckland.
 - Lesley Williamson
 - Bonnie Sommerville
 - Karen Quigley
 - Pauai Afele

eTV – Kerry Leaf (at the end of the help button) Kerry@etv.org.nz 022 010 7530

- www.etv.org.nz
- archived resources from recorded TV
- been recording since 2008
- Recordings – a list of the channels
 - If your school has screen-rights licence you can access this
 - Freeview & Sky + International channels
 - News/current affairs, docos, movies.
 - Science – discovery, nat geo, TVNZ7, BBC knowledge
 - On demand – curriculum connections
 - Sourced from web-based repository
 - User can send in a request to have a particular clip put on etv
 - No ads
 - Won't incur data buffering wheel – very quick
- Extra things you can do with an eTV vid
 - Select a small part and save & open separately
 - Can share in LMS with st
 - Embed code for entire vid
 - Can download whole vid host on school server, hard drive, computer
 - St can log in to etv (cannot access R16 or above, but most vids G or M)
 - Favourites area
- On demand – Library
 - School can set up own private library – can upload own content eg st projects, prep tutorial uploaded to etv for st to access
 - Each school has 10Gigabytes
- Etv can digitize VHS tapes, stored
- Also stream live TV from websites
- EVA – a way to annotate videos – text, labels, tables, links, image, questions
- Basic services for free.
- Full membership? \$2 per student per year (1 mufti day!)
- 4 people in org

Science Learning Hub – Andrea Soanes andreaso@waikato.ac.nz 027 301 5803

- www.sciencelearn.org.nz
- Ex teacher – sci, bio environmental ed
- SLH is a national project funded by MBIE
- Purpose to make current sci research accessible to teachers
- Articles, activities
- Funded much less this year
- Andrea project Manager – full time, other part time staff.
- Topics, concepts
- If can't find resources just ask, help → Andrea

- Events – PLD webinars, conference, competitions
- Subscribe to newsletter at bottom
- Active on FB, twitter, pinterest
- Teacher PLD – usually on Th afternoon at 4pm, try to do 3 a term
 - Archived on website
- Concept cartoons section
- Log in – can set up a profile page to save favourite things
 - Working on developing a tool to sort these items
- Can search for previous content from biotechnology learning hub
- Concept and topics – decision driven by research, 2^o concept, 1^o topic
- Q – 5 science capabilities in the Connected Journals? Access the Connecteds at <http://instructionalseries.tki.org.nz/Instructional-Series/Connected> . I just entered the year 2017 into the search engine and the screen displayed the 3 journals for that year with text, google slides and teacher notes.

SciPAD – Lian Soh

- <http://www.scipad.co.nz/> info@scipad.co.nz (021) 025 864 12
- New staff:
 - Mike Wilson has joined (Hamilton GHS, Pass Bio)
 - Leon Soh (Science scribe)
- Little change in the workbooks for a while
- Team of 5
- Working on online versions of a text
- some exciting new developments including an App
- What do teachers want?
 - Model assessments?
 - Same examples at each level problematic

Finished 5:30 pm.
